Re: Weberman v. Collado
Kings County
Ind. No. 916/2015
20-cv-03584-BMC

Your Honor:

In response to this Court's July 25, 2021 Order in the above-referenced case, respondent is filing an Updated Index to Respondent's Exhibits in the above-referenced habeas proceeding. Up until today, when Mr. August Marziliano, Operations Manager of the Clerk's Office, very kindly allowed me to use the Clerk's Office computer, I have been unable to access the docket sheet exhibits that I previously filed with the court because of a recent security fix regarding access to restricted files. In my prior filing, I had to rely on the date of the docket filing and my letters listing the documents filed to construct an exhibits index. I am now able to file what I very much hope is an accurate Index to Respondent's Exhibits.

Sincerely,

Anthea H. Bruffee
